

module_entree::read
_picture_data

```
graph LR; A[module_entree::read_file] --> B[module_entree::read_picture_data]
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'module_entree::read_picture_data'. The box on the right is white with a black border and contains the text 'module_entree::read_file'. A dark blue arrow points from the right box to the left box, indicating a call or dependency.
